

US 51 Stoughton Roundabout Hoel/Silverado, STH 138, and Roby Road

Alex Hagen, P.E.

WisDOT Project Manager

Public Information Meeting #2

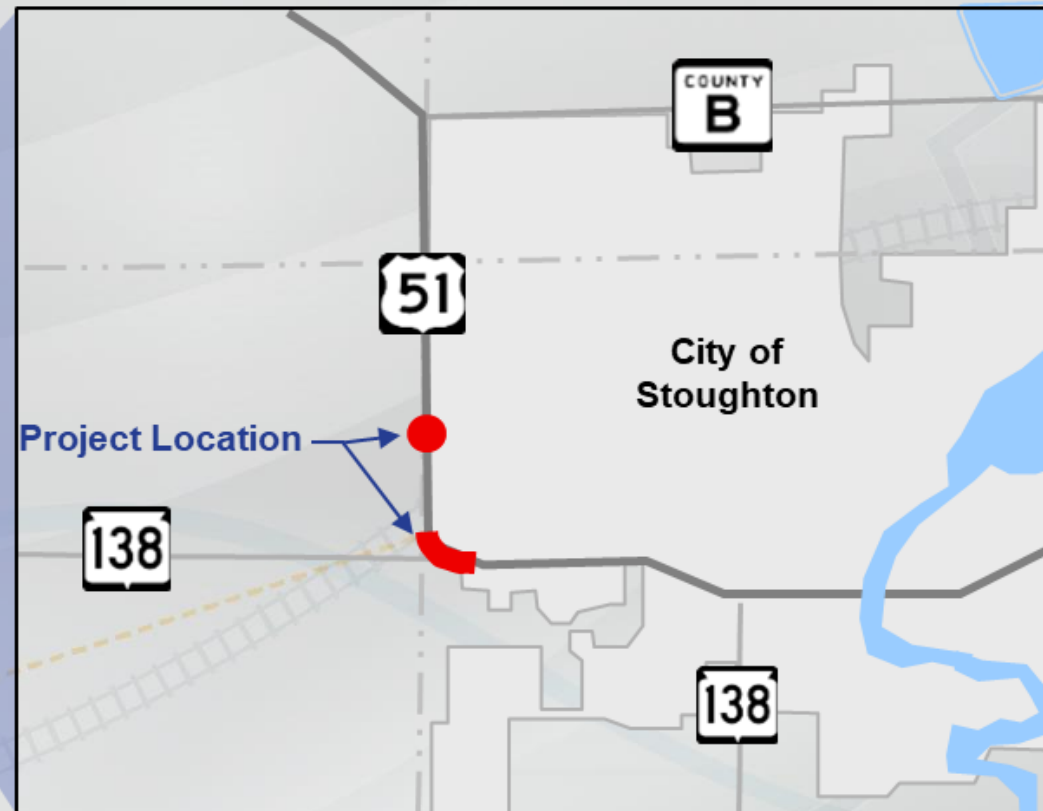

March 12, 2020

Presentation Outline

- Project area
- Project purpose and need
- Proposed staging
- Project schedule
- Comments and questions

Project Area

Project Purpose and Need

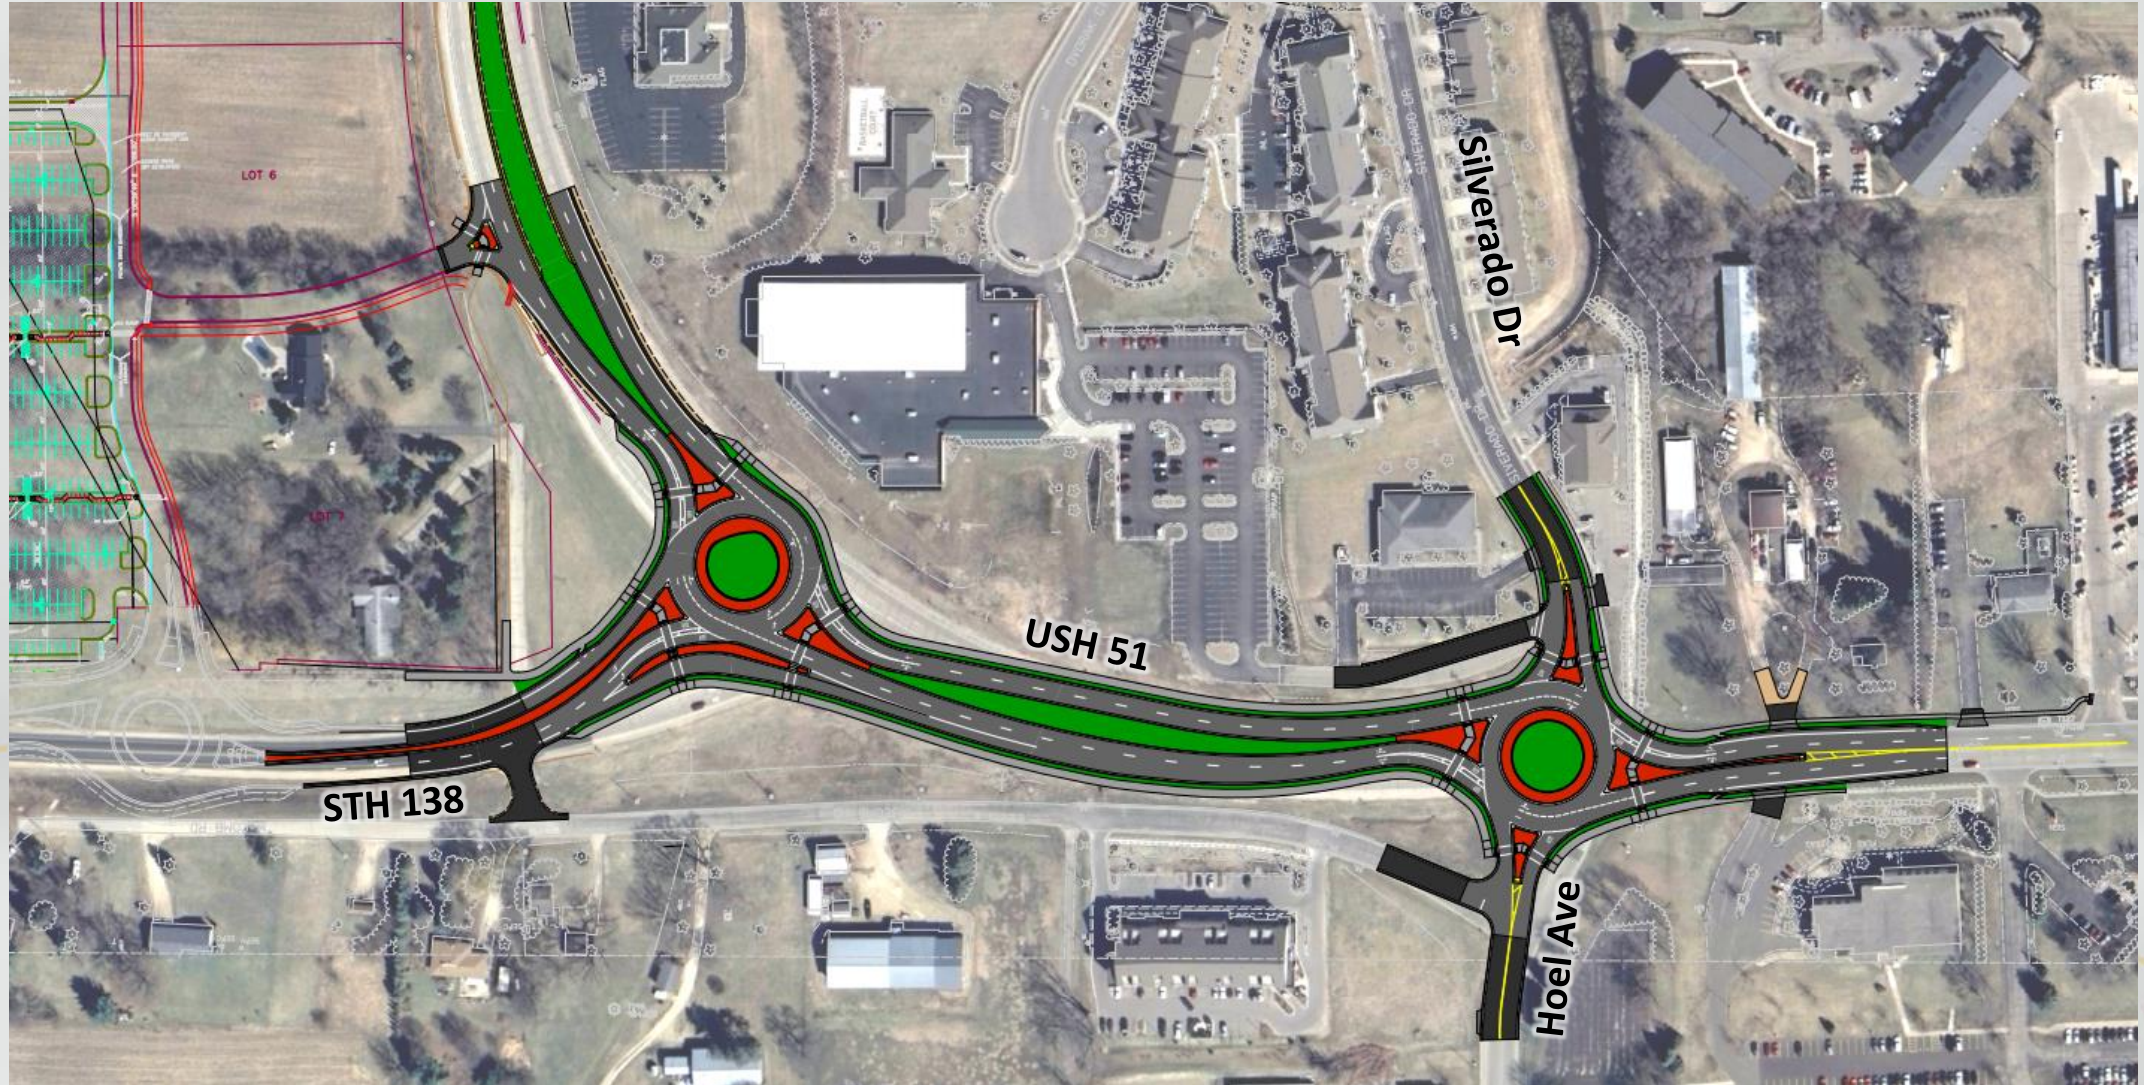

- Project Purpose

- The purpose of the Hoel Avenue/Silverado Drive, STH 138, and Roby Road intersection improvements along US 51 is to provide a safe and efficient transportation system to serve present and long-term travel demand while minimizing disturbance to the environment.

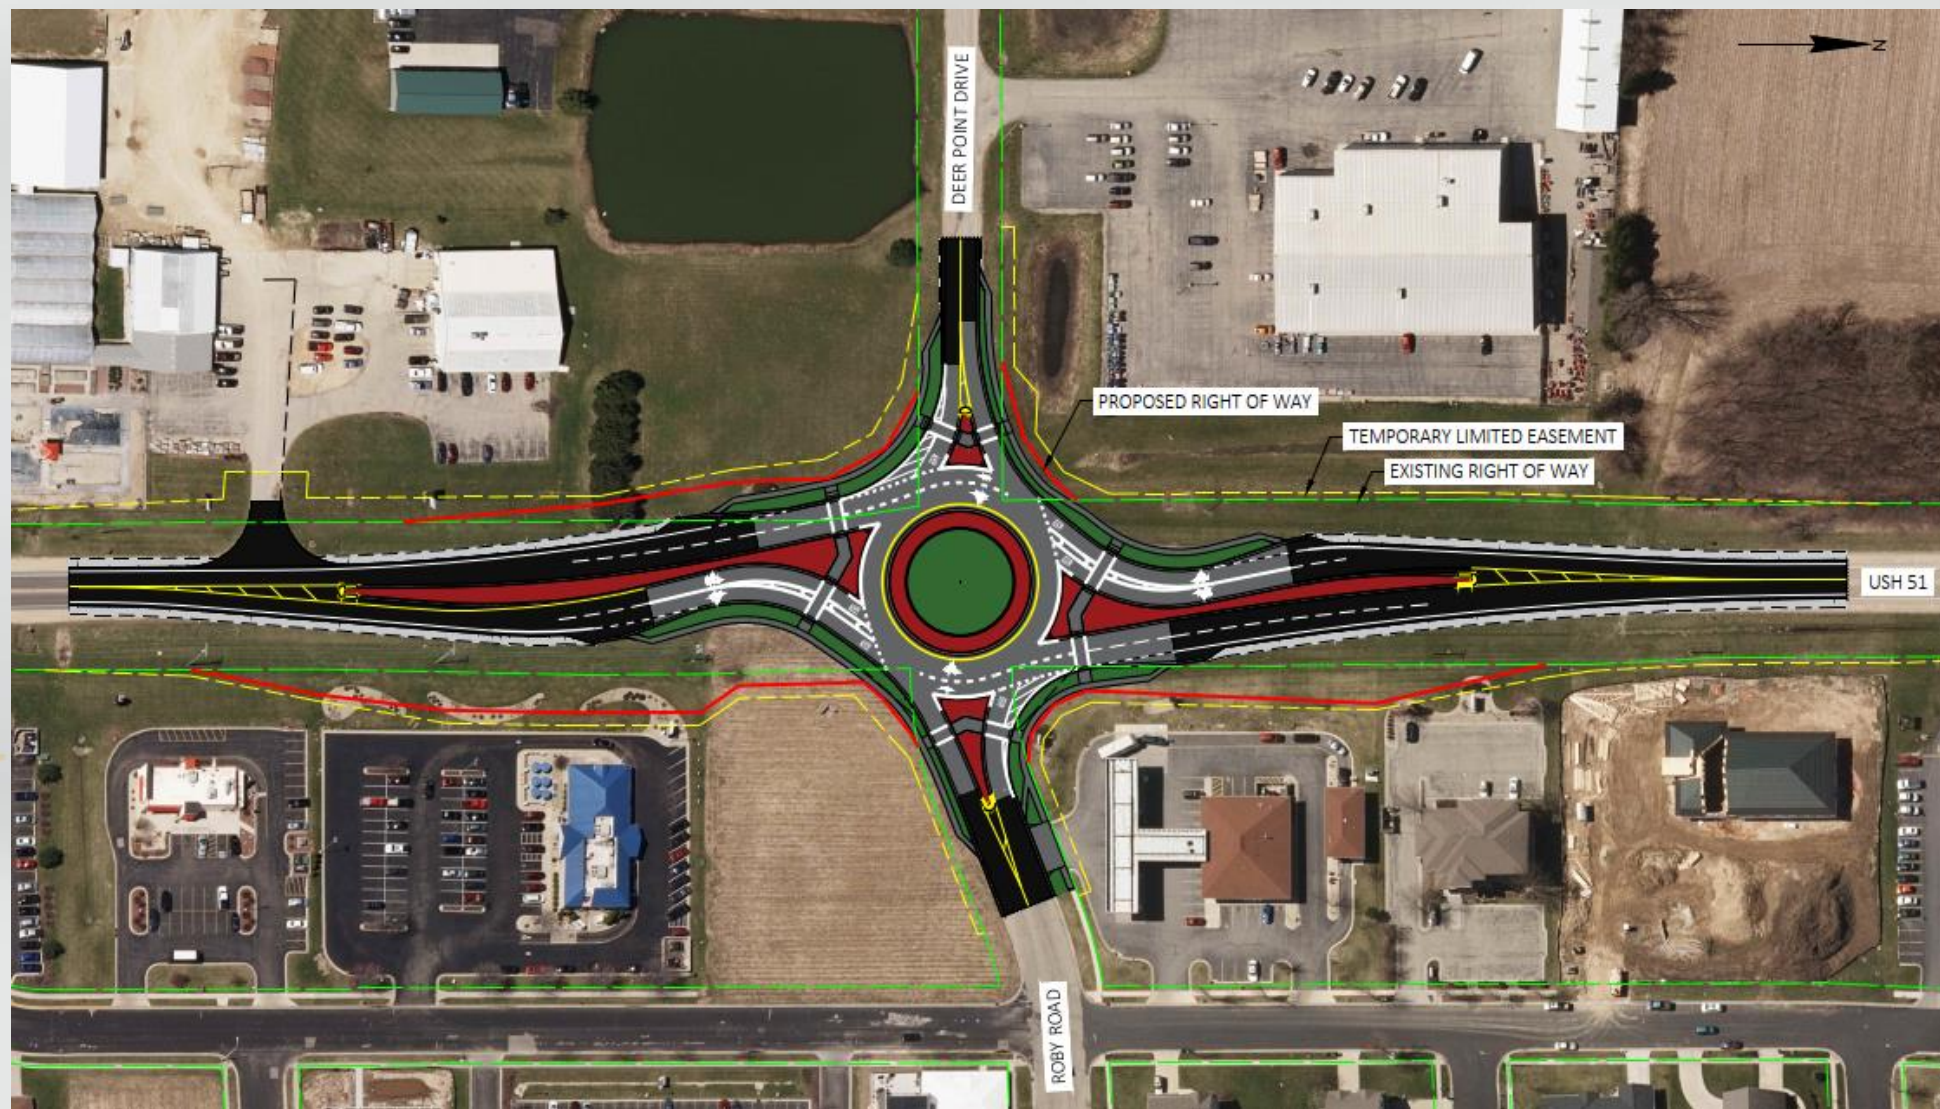

- Project Needs

- Improve intersection safety (Roby Road has received HSIP funding)
- Accommodate projected traffic volumes
- Improve bicycle and pedestrian accommodations

Alternatives – STH 138 & Hoel/Silverado

Alternatives – Roby Road

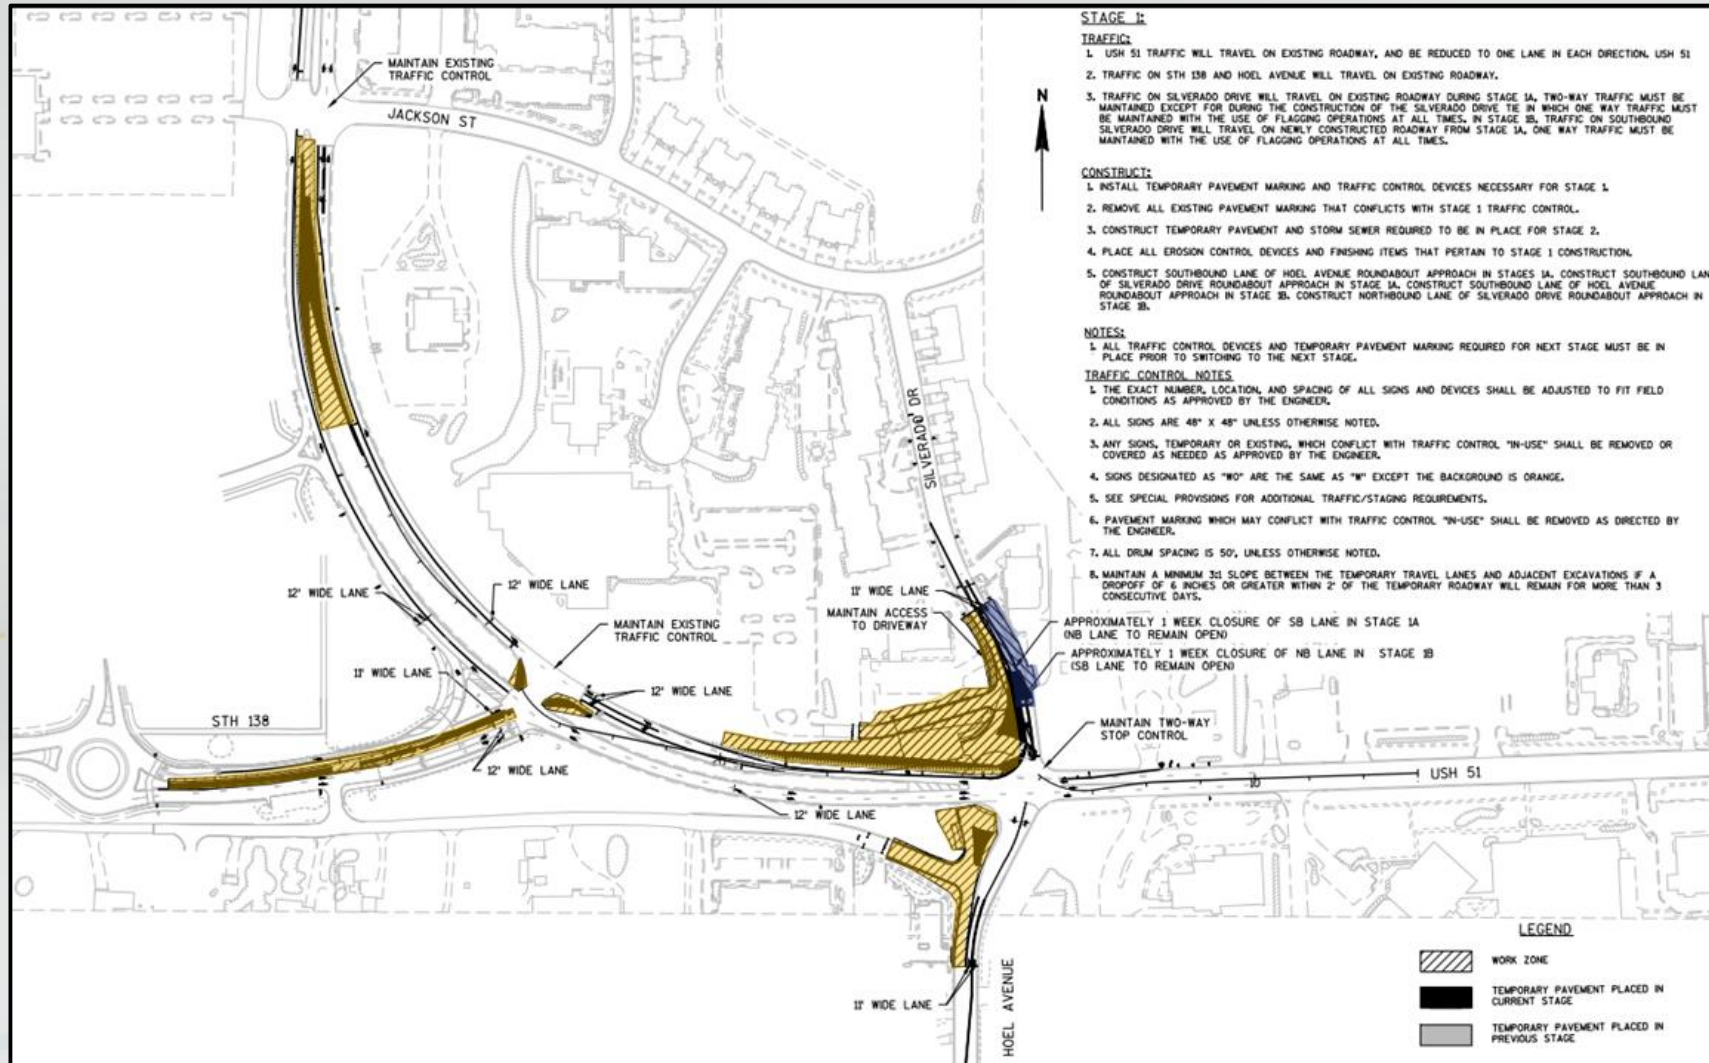

Proposed Staging

- Projects will be constructed together.
- Jackson Street signal between the two project areas will maintain normal operation during construction.
- We will review the staging concepts of each construction area.

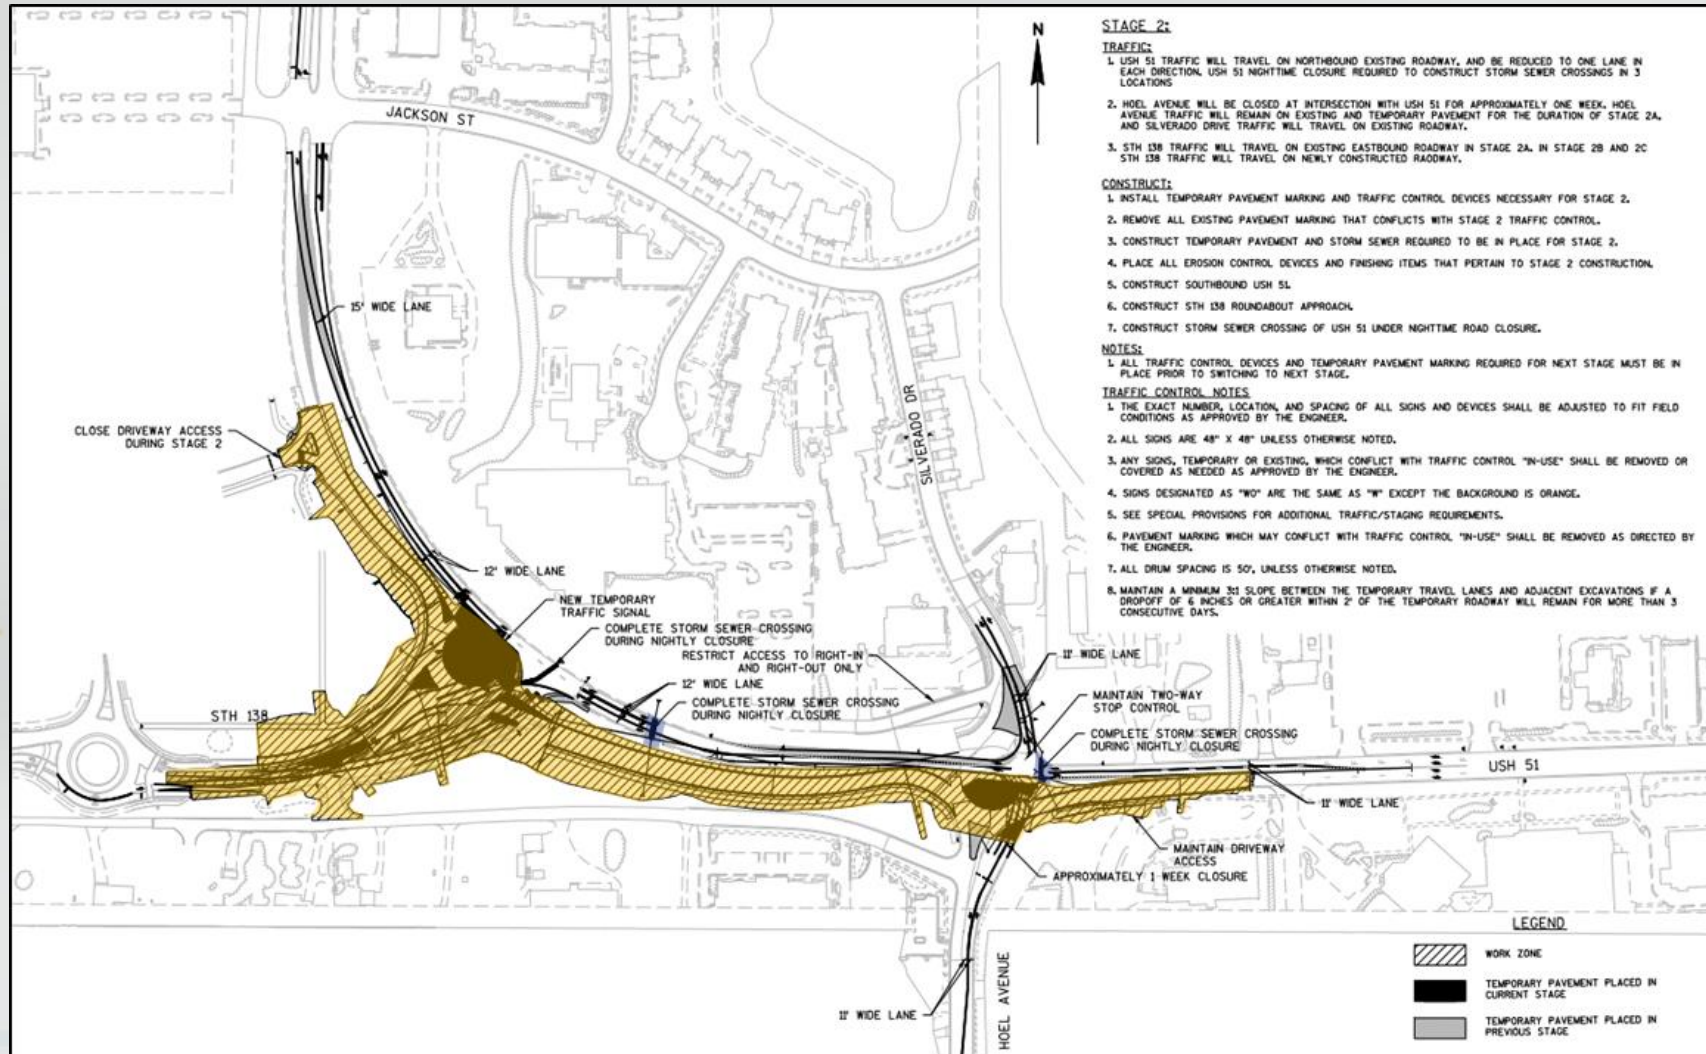

Proposed Staging – STH 138 and Hoel/Silverado

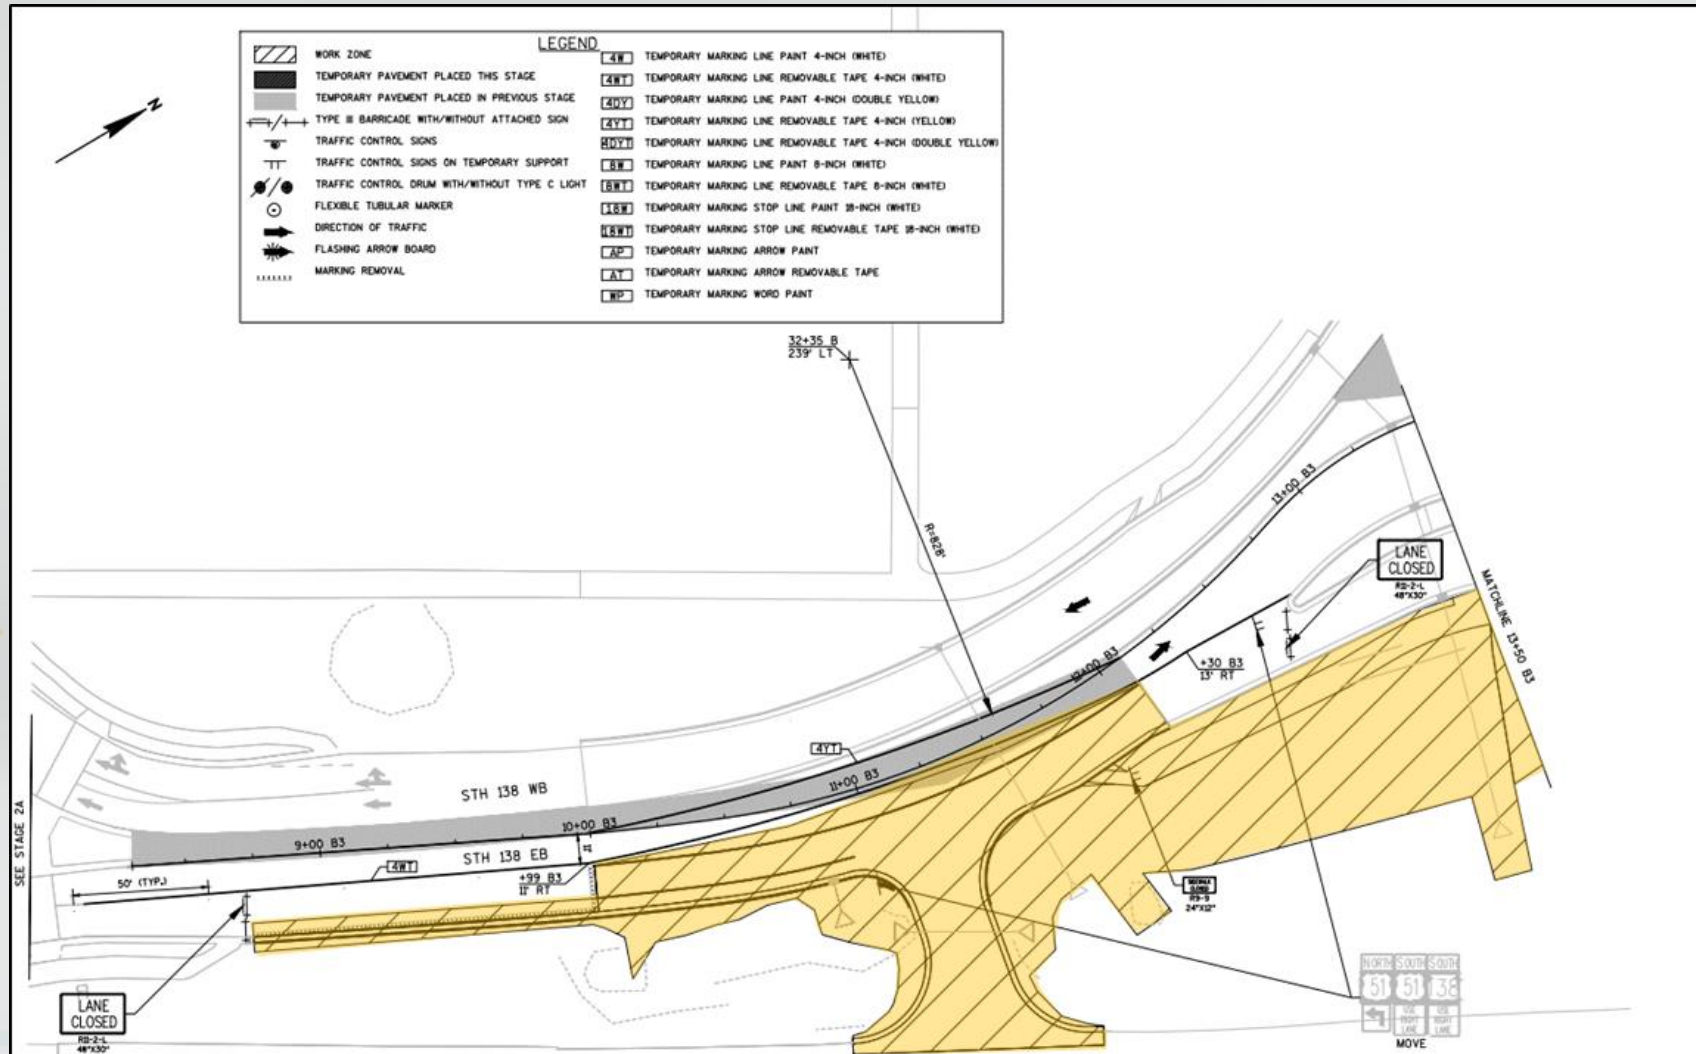

Stage 1

Proposed Staging – STH 138 and Hoel/Silverado

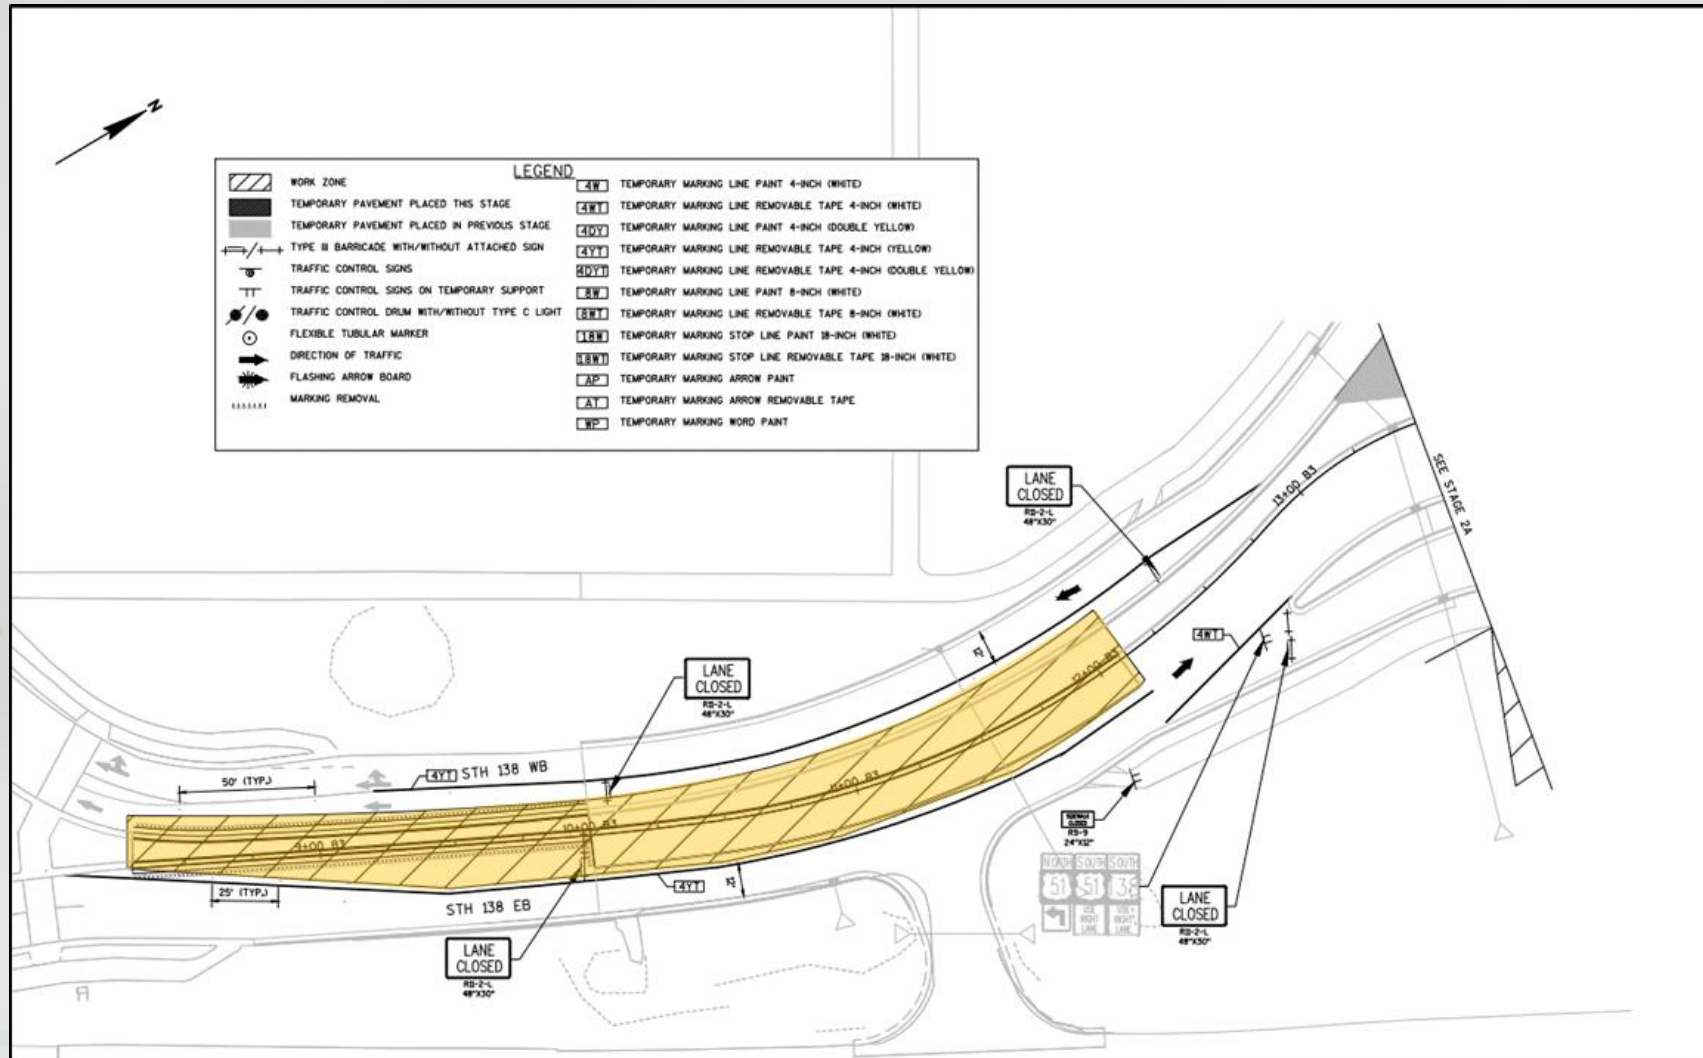

Stage 2

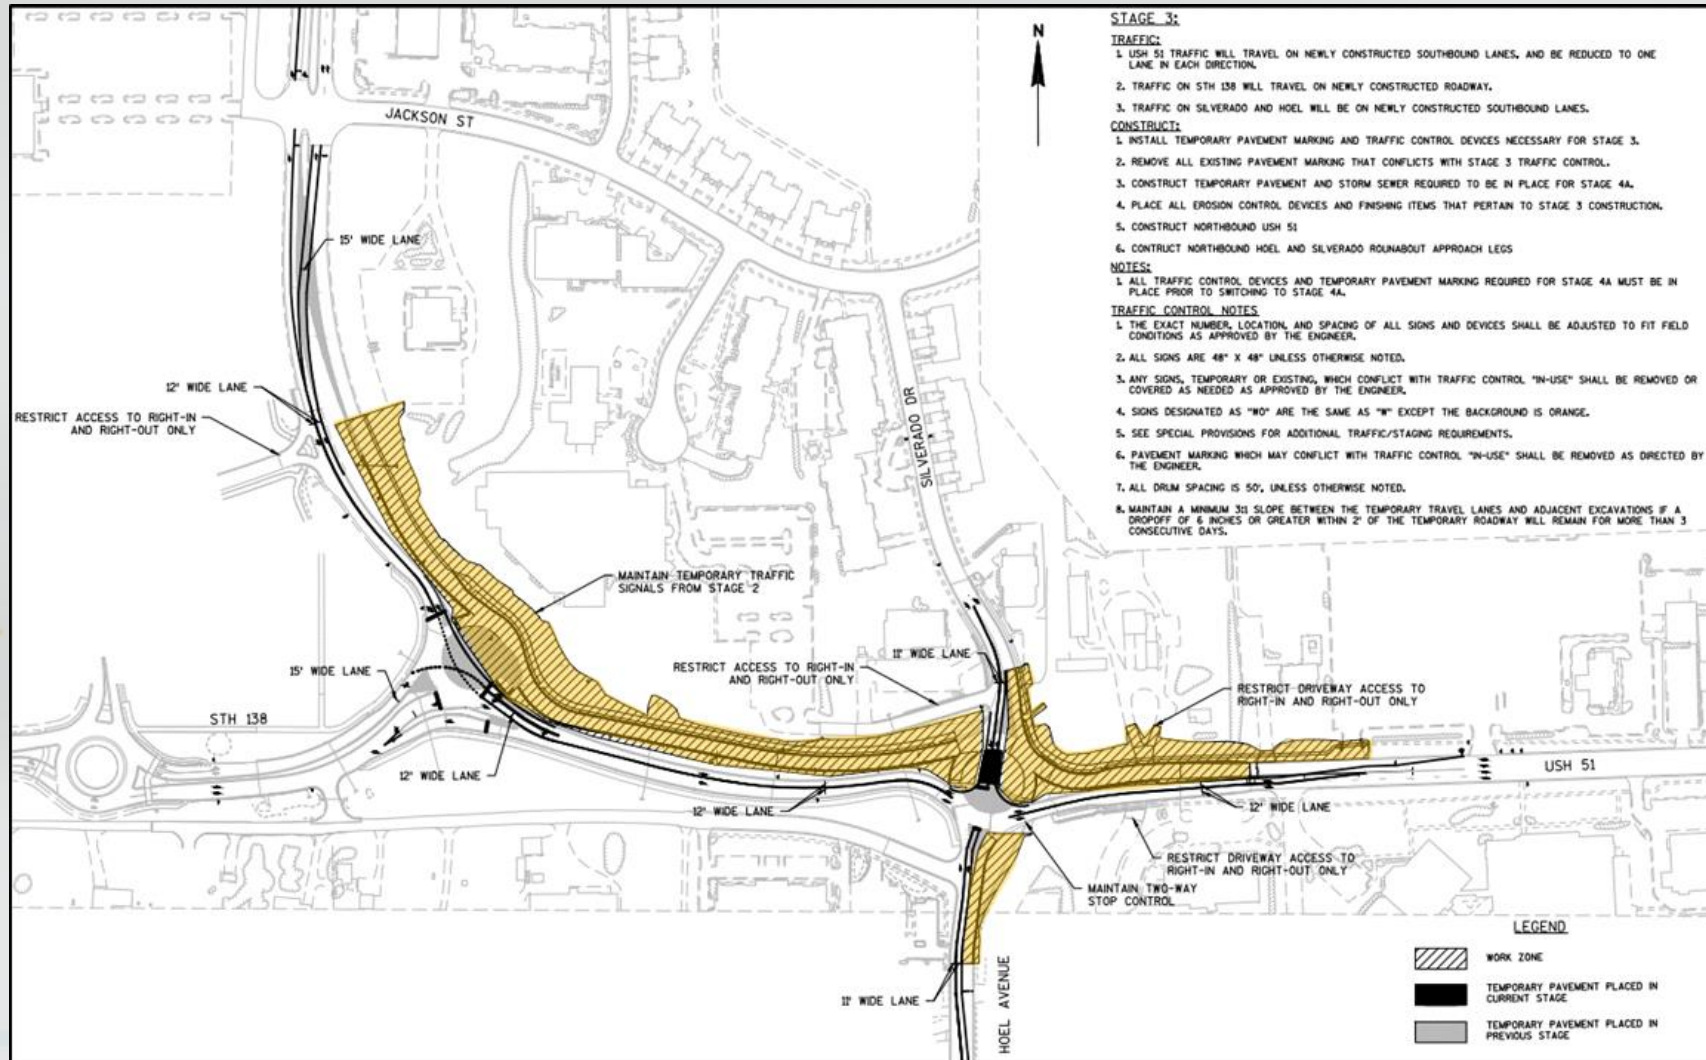

Proposed Staging – STH 138 and Hoel/Silverado

Stage 2C

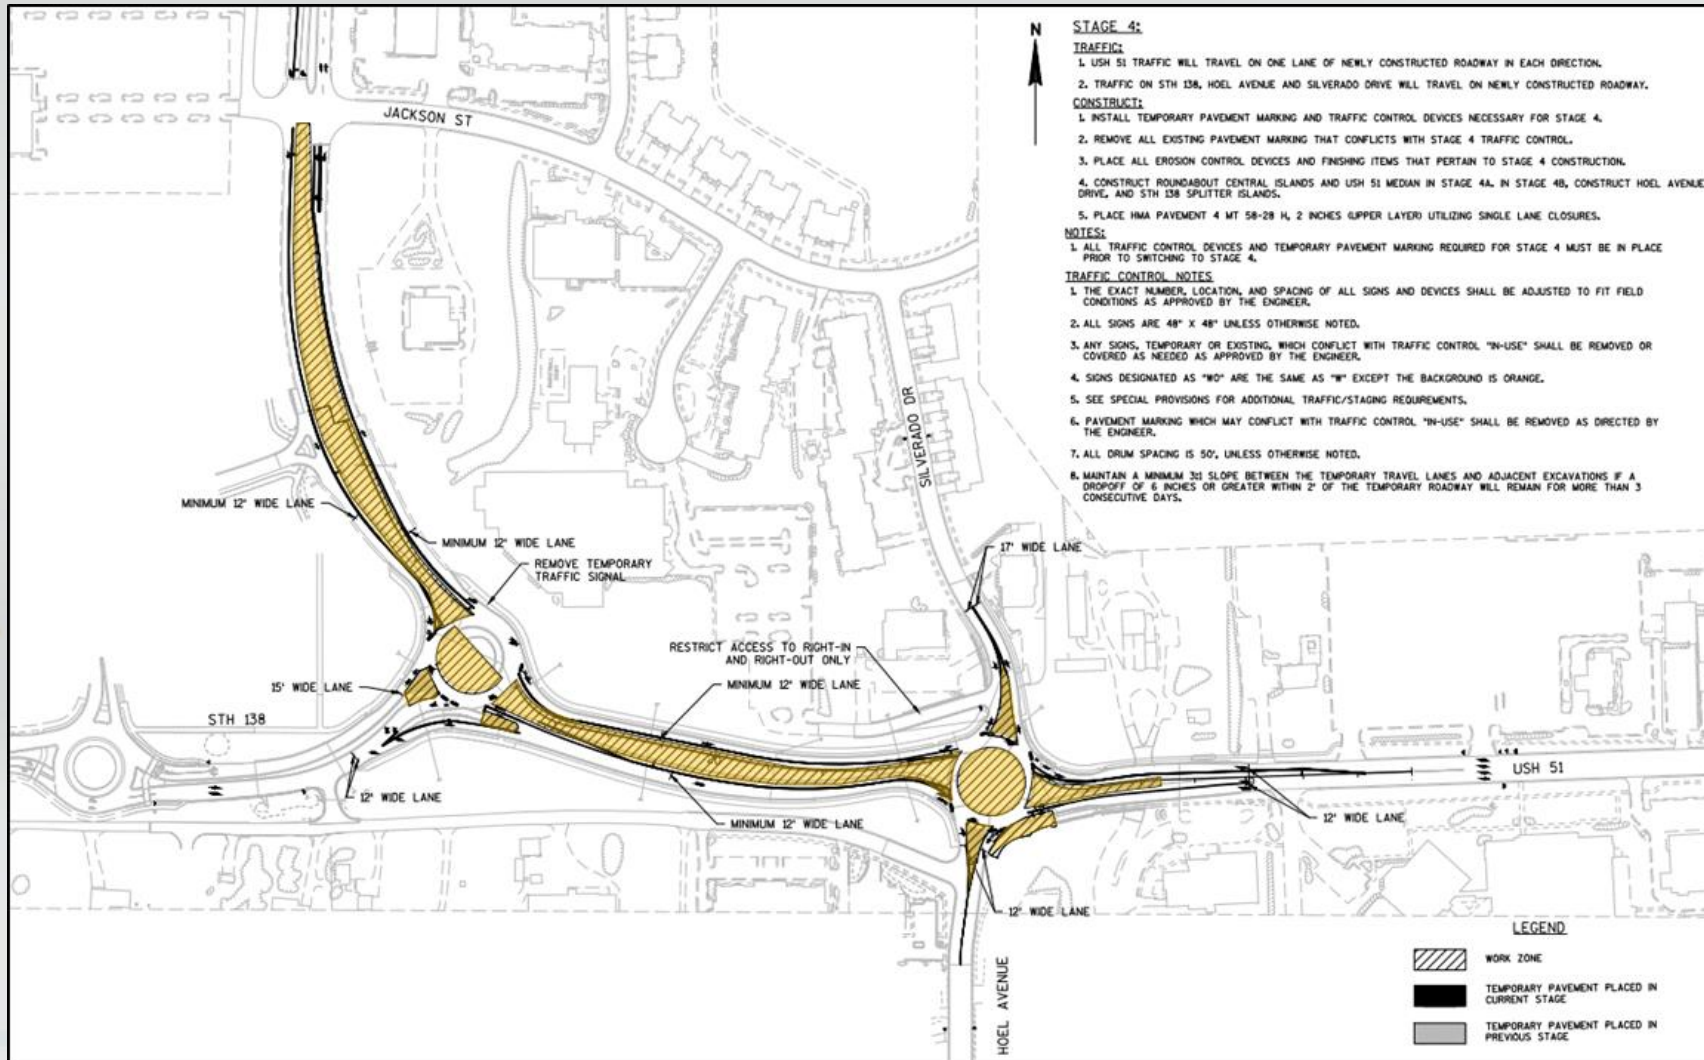

Proposed Staging – STH 138 and Hoel/Silverado

Stage 3

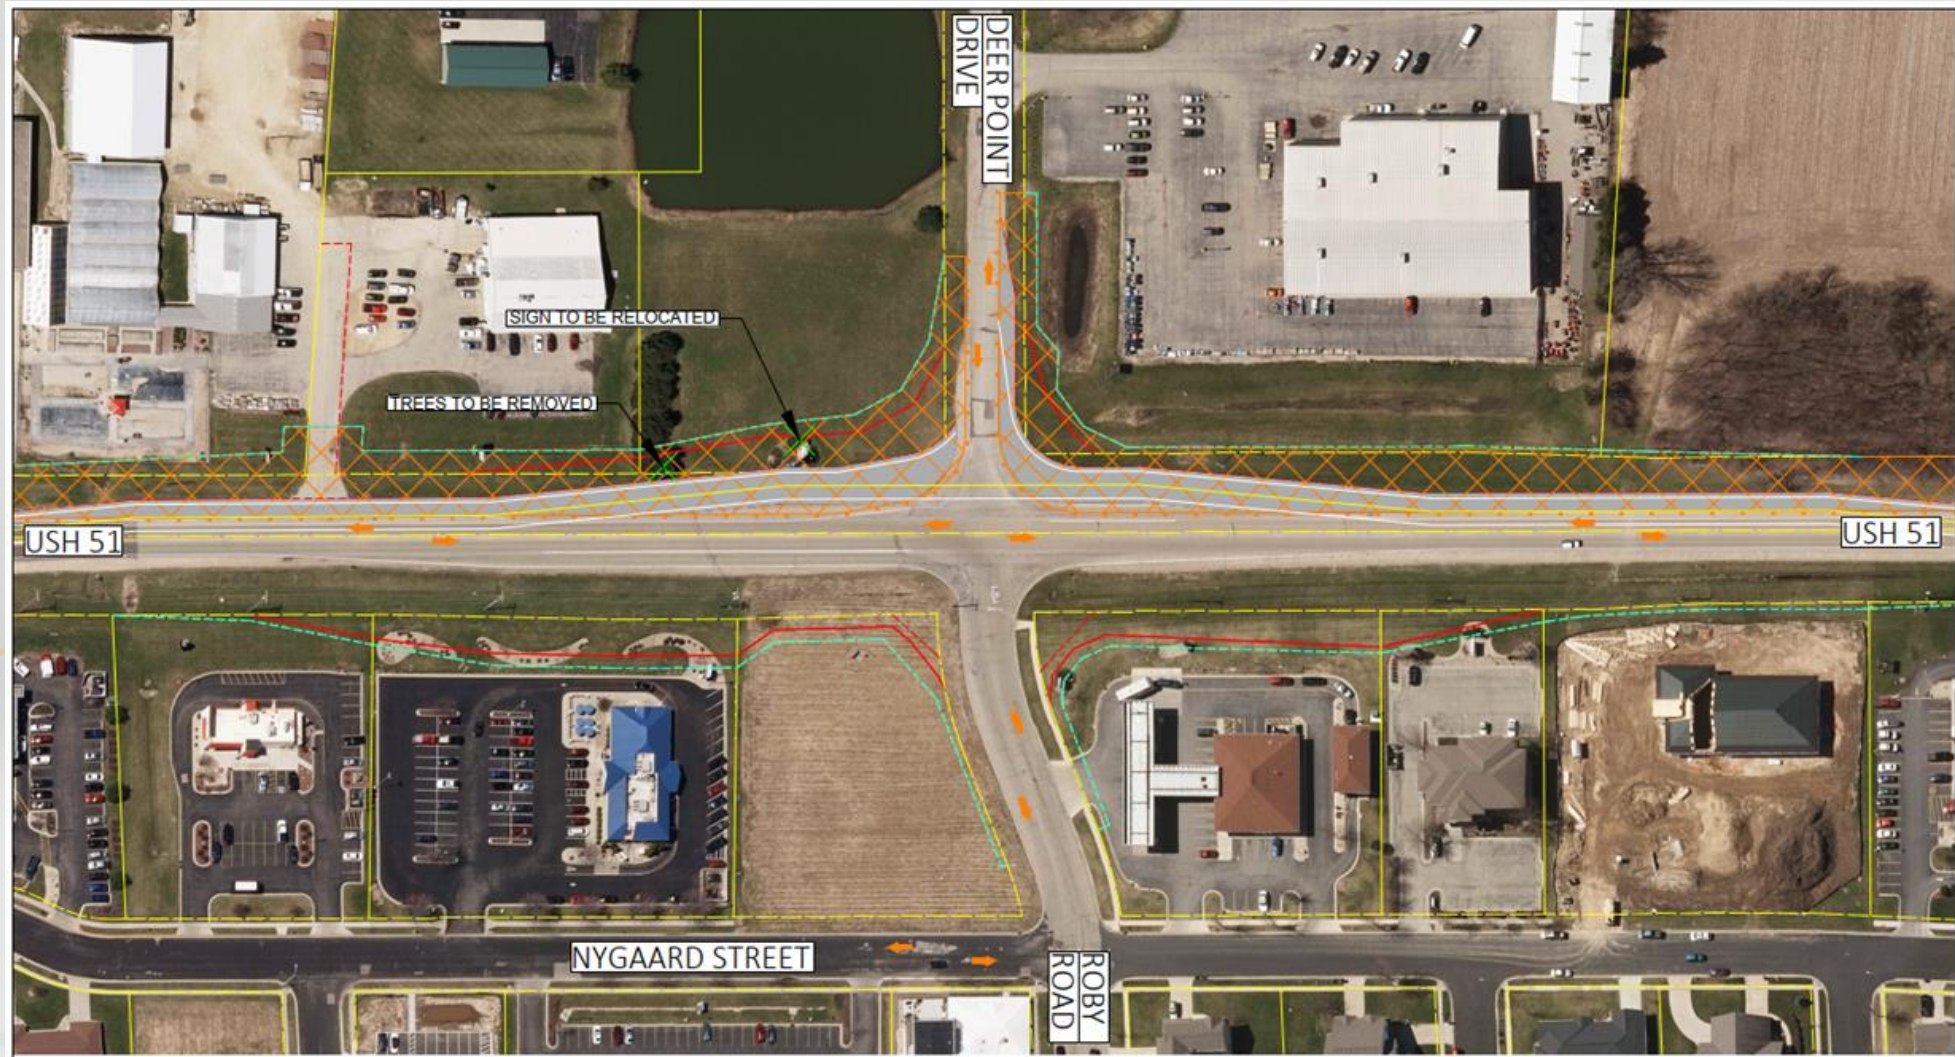

Proposed Staging – STH 138 and Hoel/Silverado

Stage 4

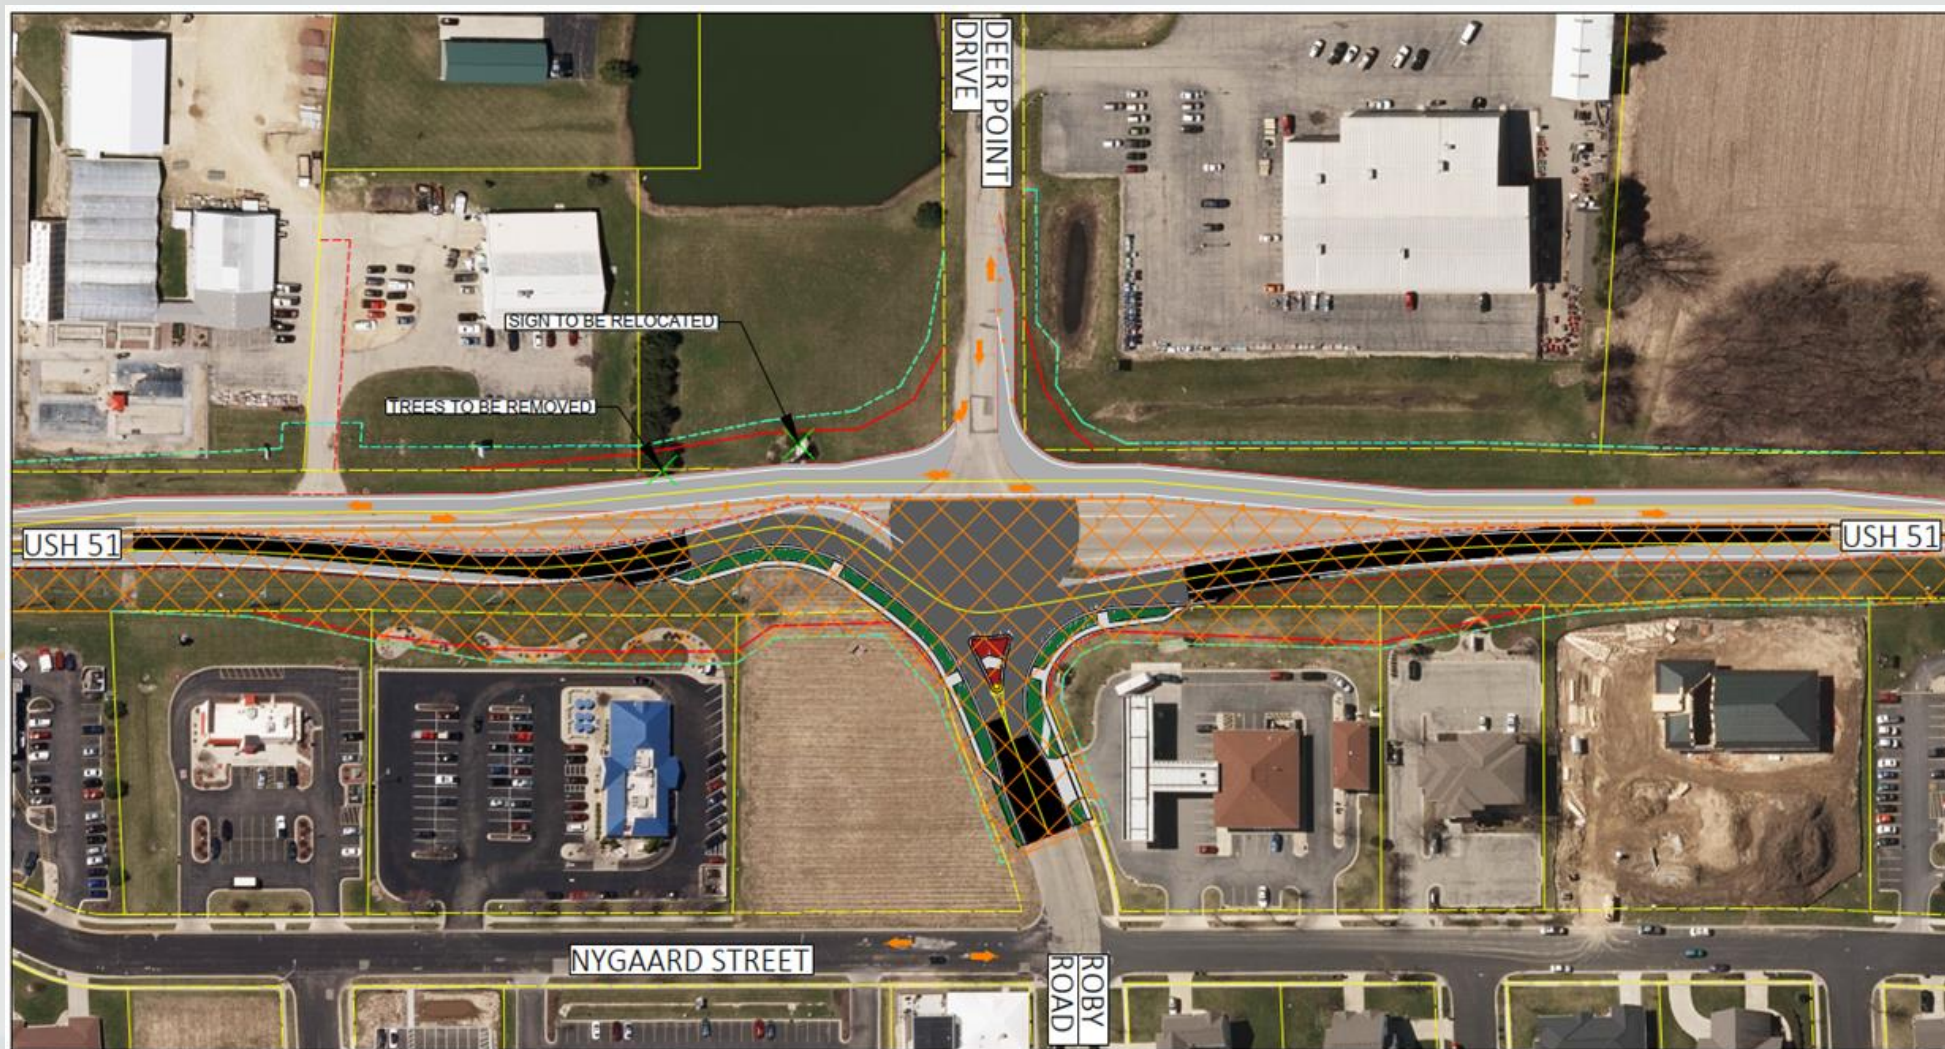

Proposed Staging – Roby Road

Stage 1

Proposed Staging – Roby Road

Stage 2

Proposed Staging – Roby Road

Stage 3A

Proposed Staging – Roby Road

Stage 3B

Proposed Staging – Roby Road

Stage 4

Project Schedule

- Spring 2022 – Begin Construction
 - Plans will be ready for 2021 construction if funding becomes available.
